

PE and Sport Premium 2013-14 and 2014-15

The PE and Sport Premium is additional funding from the government for the academic years 2013/14 and 2014/15 to provide additional funding for primary school sport provision. The money is to be spent on improving and enhancing the quality and opportunity in sports provision for all children in our school.

Through the spending of this money it is the intention of ST Bartholomew's to:

Raise the standard of PE provision in the school through the development of professional skills of staff

Increase the range and provision of sports opportunities within school

Increase the range and provision of competitive sports opportunities

Ensure the acquisition of resources to effectively deliver the extended provision

Sports Premium received

2013/14	Number of pupils =97	Funding=£5122
2014/15	Number of pupils=93	Funding=£9810

Purchase of additional equipment to develop co-ordination skills	ALL	All	92
Purchase of tennis equipment to support teaching	ALL	all	78

Total Expenditure over the year £9107

Impact of provision 2014-15

- a) Sports tournaments; funding paid for entry fees and transport costs to allow children to participate competitively in a range of sporting activities across the county. In particular, participation of children who do not normally participate in competitive sports has been encouraged .
- b) Purchase of new sports equipment to increase participation and range of sports provided: this has enabled the range of sports available to be extended to include additional opportunities to participate in athletics, rugby and tennis.
- c) Employing specialist coaches to lead CPD for staff: through staff training to develop the level of teacher knowledge and confidence in teaching well -structured PE lessons over a wide range of sporting activities. Specific training in lacrosse, netball and hockey has also been accessed to increase school wide teaching in these areas.
- d) Expanding the range and provision of extra-curricular activities: funding has been used to pay for providers, externally sourced, to provide lunchtime sporting opportunities for those children who, because of transport issues, are unable to access after school clubs.

All children from Year 2 upwards now participate in at least one, in many cases two, lunchtime sports clubs including football, cricket, cheerleading, multi skills and athletics

- e) The range of after school clubs has been extended and now, over the year 12 different sports are available, all taught by specialised coaching staff
- f) Increasing the range of opportunities within school to engage with a wider range of sports; in addition to the lunchtime and after school clubs, all the school have taken part in a hoola hoop workshop to engage children in an area not previously covered within school
