

St Bartholomew's CE Primary School

Thursday 2nd July 2020

Dear Children, Parents and Carers,

It has been such a long time since we were altogether. One of the things that I miss the most here at St Bartholomew's is singing as a school and having time to reflect together. We believe strongly that Collective Worship and sharing time together is such a crucial part of our broader school life, an aspect over recent months that has sadly been missed by many of us.

I would therefore like to invite you all to our first Virtual Collective Worship on Friday 10th July, which will go live at 2pm. Over the coming weeks, we will explore the concept of 'A Summer of Hope' with the children by looking at things that we can look forward to and hope for in the coming weeks and months. You will be able to access the Collective Worship via Zoom and will receive an invite with the meeting code and password via ParentMail / TxtRound.

We do not yet know what Collective Worship will look like next academic year, however coming together virtually could be a way forward. In most fairy tales, the characters in the story need to solve or overcome a challenge, but there is usually a happy-ending where things end up better than they were before. I believe this is one of those times!

I look forward to seeing many of you online.

Yours sincerely,

Miss C Cox
