

St Bartholomew's CE Primary School

18th March 2020

Dear parents,

Hammer Harriers will be running the West Pinchbeck 10k run on the 27th of September this year and St Bartholomew's School will be hosting the event.

The running club are hosting a competition to design the medals given to the competitors on race day. To enter this competition you need to draw your design inside the circle (on the attached sheet) and the design must include the wording 'West Pinchbeck 10k 2020'.

The entries need to be returned to school by Friday 27th March 2020 latest. The winner will see their design on the race medals, receive their own medal and a goody bag.

If you require any support with this, please ask.

Miss Cannon
