

# St Bartholomew's CE Primary School

Monday 6<sup>th</sup> July 2020

Dear Children, Parents and Carers,

## St Bart's Virtual Sports Challenge Week 2020

Sports Day is one of our all-time favourite events in our school calendar and we couldn't let a little thing like a global pandemic stop us celebrating together. However, we must ensure that we are all safe and responsible, so this year we are going online.

On Monday 13<sup>th</sup> July, we will begin our Virtual Sports Challenge Week with an Opening Ceremony. We have designed the Sports Events to ensure that every member of our school community can get involved and participate whether that be a home or in school. You must share your participation if you would to receive a Sports Award: post a photograph or video on Twitter and tag your class page, post a photograph or video on Tapestry (Rec and Year 1) or send a short video or photograph to the Homework Email Address: [homework@stbartholomews.lincs.sch.uk](mailto:homework@stbartholomews.lincs.sch.uk). The more activities you send in the more points you will get for your team and the higher Sports Award you will receive but, as one of our national supermarket says, *every little helps*, so even if you are only able to send in one activity, it is still worth taking part. If you can remember what team you are in, you could wear your team colour whilst completing your challenges. If not, please don't worry, it's the taking part that counts. However, please note that any appropriate slogans/words/images etc on clothing will mean that we cannot use your images in our celebration video. The week will culminate with some final events and the Closing Ceremony on Monday 20<sup>th</sup> July.
