

# St Bartholomew's CE Primary School

14.09.2020

Dear Parents and Carers,

Thank you for helping us keep all the class 'bubbles' apart. We have had a few teething problems: please try to stick to your time slot for dropping children off in the morning. However, we know that for many reasons, sometimes this cannot be helped. If the gate is closed when you get there please wait at the gate and ring school. We will get someone to the gate to let your child in as soon as possible. We did have one morning where a number of children were late and all came to the main entrance. This meant that it was difficult to keep class bubbles away from one another. As you know, our corridors in school are very narrow so we try not to use them for children at all.

We have been fortunate with the weather and the children have enjoyed using all our outdoor space for their learning. I have even been able to lead Collective Worship outside. This has been lovely. It is also great that we have been able to find a way of getting the whole school 'together' – even if each class has been seated well apart!

We have had helpful feedback from parents about collection of children at the end of the day. From Tuesday 15<sup>th</sup> September both Willow and Oak class parents should wait for their children on the grassed area at the side of the school drive (opposite the front entrance near the fruit trees). This saves congestion on the road area. Please do not stand on the drive as the taxis do use this at the end of the day.

Yours faithfully

Karen Foster

Interim Head Teacher
