

St Bartholomew's CE Primary School

Tuesday 5th January 2021

Dear Parents and Carers,

On behalf of my colleagues here at St Bartholomew's, I would to thank you for your patience and for bearing with us today as we prepare for remote teaching.

We will be taking a blended learning approach, which is slightly different to the lockdown that began in March 2020. There will be three lessons per day, one of these will be live via Zoom from Thursday 7th January onwards. Remaining learning can be accessed on each class page of the school website. Please see the 'Zoom Lessons Timetable' below. Zoom codes will follow via Parent Mail.

Class	Time
Willow Class	9.00 – 10.00
Oak Class	10.00 – 11.00
Apple Class	11.00 – 12.00
Palm Class	1.00 – 2.00

The expectation is for all children to continue to engage with the National Curriculum and as a consequence of that children will be required to attend the relevant live zoom lesson for their class and access the online learning set on a daily basis. If for any reason this is problematic for you, please do not hesitate to contact your class teacher via the homework email address.

We appreciate that this will be a challenging time for families and to support you, your class teacher will telephone you weekly to discuss any queries you may have.

If you have already requested a place in school, your child / children will be required to arrive at their gate as usual in their school uniform every day of the week. At this current time, PE kits will not be required. Your child / children are required to be collected at their usual time.

Farm Kitchen will continue to provide packed lunches / hot meals for the remainder of this week if you have ordered them. Farm Kitchen have yet to confirm arrangements for next week, so we will contact you again once we have the relevant information.

As you will appreciate, these arrangements have been made rapidly and it may be necessary to make changes, in which case we will notify you. I am sure that we can count on your continued support during these unprecedented times. Please take care and stay safe.

Yours sincerely,

Mrs Alice Edwards
Acting Headteacher
