

Pupil Premium Report 2018 - 19

The Government believes that Pupil Premium, which is additional to main school funding, is the best way to address current underlying inequalities between children eligible for free school meals (FSM) and those that are not.

Pupils qualifying for Pupil Premium are defined as:

- Those registered for free school meals (or have been at any time in the last 6 years, known as Ever 6)
- Those who are classed as Looked after Children (LAC)
- Those who *were* LAC but are not now (Post Looked After Children)
- Those who are from Service Families

Schools are accountable for how they have used the additional funding and must publish information relating to Pupil Premium on-line to ensure all stakeholders are fully aware of the impact of the premium. Government performance tables also capture the achievement of those covered by the Pupil Premium.
