Caring for someone can be a bit daunting at times. Often wonder if things could be better? Of course, there is always room for improvement in everything we do and here are a series of workshops that can really help make a difference to our daily lives and to our families. This series is aimed at parent carers who wish to have fun, meet other parent carers that want to make life easier and learn new strategies that can make a very real difference.

What makes us tick workshop will enable us to: -

- look more closely at how our beliefs affect the decisions we make.
- explore where our boundaries lie.
- give us tips and strategies to help reinforce them.

LPCF proudly presents Hil Gibb to run these monthly workshops on Zoom for parents on the LPCF membership.
