

Newsletter Term 3

This term's theme days.....

Willough'Bee's Birthday....

We are very much looking forward to celebrating WilloughBee's Birthday on Friday 21st April. One lucky school will get a visit from WilloughBee on the day and get the chance to share his Birthday Cake with him!

Summer menus....

As we are heading into the Summer Term with a new set of menus, it's reassuring for you to know that as always, our menus are checked and accredited by LCC and meet the School Food Standards.

Food wastage...

Please use the guide below to help you serve today's Lasagne

1 x full tray = 30 portions

1 x 1/2 tray = 15 portions

1 x 1/4 tray = 6 portions

Please use the guide below to help you serve today's Fruit Salad

1 portion = 1 spoon

We are very aware of the amount of food which is sadly wasted and are consciously aiming to reduce this. Please be assured portion sizes

will not be affected in anyway

by the measures we are putting in place. Feedback from the portion sheets which we started using at the end of term was very positive and we will continue to use them.

School Visits...

WilloughBee had loads of fun when he visited the pupils and staff at **Edenham Primary School** - *thank you for having us!*

Willoughby Foods School Garden...

Work is well underway in the Willoughby Foods School Garden. Some crops have already been planted with others planned for the coming weeks. We're making sure the Scarecrows from our competition have plenty of items to guard!

Potatoes....

Lamyman Grange Contractors have very kindly donated seed potatoes for us to plant in the WFSG. Jack Lamyman visited last week and delivered the seed ready for us to use.

Huge thanks for their generosity.

It's so important to keep and strengthen the link between farmers, growing and the next generation.

The daffodils have grown beautifully and are adding much needed colour on the current dreary days 😊

Is your school planning a trip to the garden this Summer Term?

Farm visit.....

We hosted a visit from Year 1 pupils at **St Thomas' Primary School** and here's what they had to say....

'Thank you so much for having us yesterday – we all had a great time!

Your team are amazing!

p.s Hotdogs were yummy!! '

Tractor visit.....

Reception children from **St Thomas' Primary School** had a visit from our tractor and enjoyed a talk on farming & growing.

We like to have lots of food photos on the back page - but there's no room to add any! Rest assured they'll be back for our next Newsletter!
