"Let your light shine"

News in school

Good afternoon,

Thank you so much to everyone that came and supported our summer fair on Friday. It was lovely to see so many people there and we were incredibly lucky with the weather. The PTFA are currently counting, and we will let you know how much we raised in the next few days. Well done to our Year 6 entrepreneurs for their stalls and yummy cakes. All funds raised from their stalls will be donated to Children with Cancer Trust.

On Thursday we have our awards assembly. During this, our current year 5 children will be given their roles and responsibilities for next year when they are in Year 6. I spoke to all year 5 pupils last Monday and asked them to apply for any responsibility that they would like next year. As I am also a parent in year 5, I want to make sure that there is not seen to be any favouritism. Therefore, those that have applied will be reading their applications in collective worship today and the pupils will be given the vote rather than me choosing this year. In addition to this, we are being open-minded about the roles next year as we would like everyone to feel confident and comfortable carrying out their responsibilities – therefore, we may have two Head Girls or two Head Boys etc, depending on who has applied.

This week our year 6 have their leavers trip to Nene Valley and Tallington Lakes. We will be camping at school on Thursday night so don't forget your tents year 6! We hope that they all have a wonderful time and make long lasting memories.

As we are moving closer to the end of the year, please can I ask that children remember to empty their lockers and collect PE kits and lost property so that when they leave next Friday the school is empty and ready for the deep clean that it receives over the summer break.

Have a wonderful week.

Take care
Miss Ingle
