

We have prepared, cooked & delivered lots of delicious lunches 😊

www.willoughby-foods.co.uk

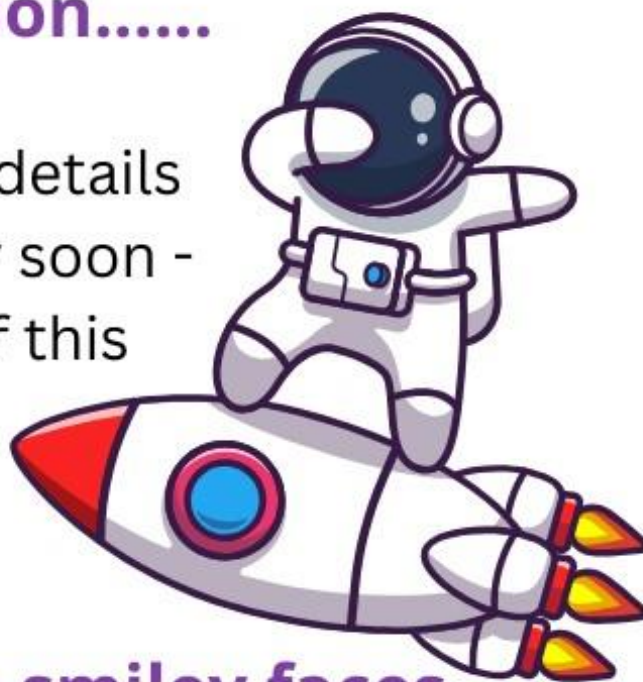

Packed lunch boxes

We were really pleased with the packed lunch boxes we were using previously. Unfortunately they weren't always deep enough to accommodate the apples and on occasion the lids were pushed off. We have discovered these little gems (which are equally as good for the planet) but slightly deeper so should do the job just that little bit better 😊

Competition.....

We will be announcing details of our competition very soon - it's going to be 'out of this world!!'

We love to see smiley faces eating our lunches

New items on the menu

Mini Corn on the Cob

Mini Corn on the Cob was hugely popular with the children - and Midday Supervisors. One school asked if they could have it on the menu every day as the children were very quiet while eating it 😊😊😊
Look out for it on the menu again this term.

Fruit Salad

Cheese & Onion Slice

Shepherd's Pasty

Croquette Potatoes

Newsletter Term 1

Willough'Bee out and about....

Children at **Monkhouse Primary School** were super excited to have a visit and get the chance to shake hands with a giant bee!

Saying hello to one of the wonderful Middy Supervisors at **Frithville Primary School**

Every year **St Bartholomew's CE School** host the Pinchbeck 10km turning school into HQ for the day. Alongside this, school also host their very own fun run with entries open to everyone - even bees!! WilloughBee is pictured with three contestants proudly showing off their medals - well done everyone!!

Theme days this coming term...

Mice cakes for Halloween

Happy Halloween
Tuesday 31st October
(order by Tuesday 24th October)

Spooktacular 'Boo'lognese Pasta Twirls, Peas & Garlic Bread
