Dear Parents, Carers and Guardians,

Happy New Year! Welcome back. We hope that you have had a wonderful Christmas break and wish you all the very best for the new year.

The new class structure started on Monday and the children seem to have settled in very well. It has been lovely to hear about their Christmases and they have been full of smiles and eager to get back to learning.

A reminder that the new classes are:

Dahl – Reception

Nightingale – Year 1 and 2

Darwin – Years 3 and 4

Franklin – Years 5 and 6

I will hold another school meeting next term to give parents the opportunity to ask any further questions and to get feedback on how your children are feeling.

We have started planning applications for the bus library and I will keep you up to date with the progress as it comes through.

11+ Application Process

If your child is in Year 5, you will have received a letter via ParentMail this week regarding the process of how to enter your child for the 11+ test that will take place in September 2025. Please note that the deadline to complete this online application is 31st March 2025.

Any Other Information/Reminders

Severe Weather/Snow Closure

In the event of severe weather, we will always strive to ensure that the school remains open, but in the event that extreme weather conditions necessitate the closure of the school we will advise you of this in a number of ways. We will notify parents via email via ParentMail, update the school website and advise Lincs FM and BBC Lincolnshire radio stations so listen out to their broadcasts or log onto their websites. We will also post a message on the school's Facebook page.

Book Wish List

We are constantly trying to update our school Library so the child have the opportunity to read new and exciting books. With this in mind, Mrs Szydowski has sourced a 'Book Wish List'. It has been created by our local book shop 'Bookmark' in Spalding. They have been extremely kind and made an area on their website where you can click on a book and purchase it online and have also offered us a discount. We felt it was not only important to purchase new books for our children but also support a local small business. When a few books have been purchased they will then contact Mrs Szydowski to go and collect them. If you feel you would like to purchase a book for our Library, or know someone that would like to, then please follow this link:

<https://uk.bookshop.org/lists/st-bartholomew-s-ce-primary-school-wishlist?>

Bookmark have informed us that if you select a book from our list on their website and buy via the website then a delivery cost will be added. If you see a book you would like to purchase please email them directly or call the shop. They will then have the books delivered to the shop for free and it will be collected from them.

Health Care Plans

In order that we can provide the necessary care required to those children who have on-going health care needs, we require parents to complete a 'Health Care Plan' form via ParentMail. This document is used to detail the on-going health issues and, if applicable, the medication that each child requires. If you haven't done so already and your child has health care needs, please complete the form via ParentMail. Thank you to those parents who have already completed their child's Health Care Plan.

Attendance

All schools are expected to keep their attendance over 96%. At the end of our first week, our Year to Date attendance sits at 96.44%. If you need any help with attendance, please come and speak to us as we will help in any way that we can. Dr Chris Whitty released this statement via the DfE: *"It is usually appropriate for parents and carers to send their children to school with mild respiratory illnesses. This would include general cold symptoms: a minor cough, runny nose or sore throat. However, children should not be sent to school if they have a temperature of 38°C or above."*

Attendance

Supporting you to understand the new rules

A National Framework for Penalty Notices for school absences, including unauthorised leave of absences in Term Time, is being introduced following changes to the law. These new government regulations will come into effect from 19th August 2024.

What are these changes?

If a pupil has **10 unauthorised sessions**, which is equal to **5 school days**, within a **10 week period**, a penalty notice may be issued.

This will come under 3 categories: First, Second, and Third offence.

First Offence

The first time a Penalty Notice is issued for Term Time leave or unauthorised absences the amount will be:

£160 per parent, per child if paid within **28 days**, reduced to **£80** per parent, per child if paid within **21 days**.

Second Offence

The second time a Penalty Notice is issued for Term Time leave or unauthorised absences the amount will be:

£160 per parent, per child to be paid within **28 days**. No reduced rate will be offered.

Third offence and any further offences (within 3 years)

The third time an offence is committed for Term Time leave or unauthorised absences a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates Court.

Magistrates' fines can be up to £2500 per parent, per child. Cases found guilty in Magistrates' Court can show on a Parents future DBS certificate, due to failure to safeguard a child's education.

What Parents & Educators Need to Know about JUSTALK KIDS

WHAT ARE THE RISKS?

SUBSCRIPTION FOR PREMIUM ACCESS

While JusTalk Kids is free, there's the option to subscribe to a kids' premium account or a premium family account. At a cost, this feature allows children to have access to more fun features such as games they can play with others in a call; exclusive stickers; a badge denoting them as a premium subscriber; and exclusive ringtones and themes.

RESISTANCE TO CONTROLS

JusTalk Kids endeavours to allow children the sense of having a chat-based app while allowing parents to set controls (within the app or from their own adult JusTalk account). The basis behind this is positive; however, some children are challenging their parents by refusing to use JusTalk Kids, preferring to use the adult version without any restrictions in place.

KNOWING THE PARENT PASSCODE

After downloading JusTalk Kids, parents can set a passcode which users must enter to add contacts. The parental controls help to manage which content can be viewed and who children can add as a contact: this then allows children to chat with friends in a controlled environment. However, prospective contacts don't have to know a specific username. In theory, someone could type in a random name and then add them as a friend.

POTENTIAL DATA LEAKS

JusTalk and JusTalk Kids claim to be secure and encrypted, going so far as to state that even the developers themselves won't access your data. However, a security lapse in 2022 highlighted that messages were not in fact encrypted – leading to concerns around the security of the app and the transparency of the development team.

CYBERBULLYING

Online chats can provide a sense of anonymity, leading some users to post things which they wouldn't normally say in person. Combined with the option of group chats, there's a risk that young people might join in with this kind of behaviour, escalating it further and potentially turning what should be a fun experience into something deeply negative.

TOO MUCH SCREENTIME

A report by the UK Parliament Education Committee highlighted a 62% increase in children's screen time between 2020 and 2022 – as well as finding that 25% of children used their smartphones in a manner consistent with screen addiction. Introducing children to social networking apps when they're too young can lead to bad digital habits and a reliance on technology from an early age.

Advice for Parents & Educators

JUSTIFY THE CONTROLS

If parents allow their child to use JusTalk Kids, they should explain that they're putting parental controls in place to make the app safer. Make sure the child knows not to put their full name on the account and doesn't use a photo of themselves as their profile picture. This type of open discussion will help to ensure that a child is aware of the app's potential risks and knows how to reduce them.

TALK ABOUT ONLINE FRIENDSHIPS

Young children could be excited to use this app. However, highlight that they must do so in a positive, respectful and responsible manner. While it can be easy to get caught up in a group chat, it's important to talk to others politely and call out any unpleasant behaviour. Discuss the importance of limiting their contacts to people they know in real life and use parental controls to enforce this.

DOS AND DON'TS OF SHARING

Some children might not understand the potential dangers of oversharing online. Set clear guidelines around what *is* and *isn't* safe to share on the internet, and discuss the concept of a digital footprint. Children need to understand that the things they say and share online can never be completely erased. Even if they delete it themselves, it can be saved and distributed by others.

ENCOURAGE OPEN COMMUNICATION

Apps like JusTalk can sometimes lend themselves to bullying behaviours. Parents should monitor what their child is sending and receiving, check in with them regularly and encourage them to share their feelings (both positive and negative) at home. Remind them that they can block a contact if someone is treating them disrespectfully.
