News in school

17.1.25

Dear Parents, Carers and Guardians,

Good afternoon,

We have had a wonderful week investigating a a mysterious dragon egg, learning about electricity and delving into the depths of the Greek Gods. Year 6 have begun their Young Chef Award and created delicious cheese and chive scones. They are now busy looking at their 3 course menu ideas and can't wait to cook again! Apple have been thinking about what you can find in the woods ready for their trip next week, so don't forget to ask your children all about it!

Make Up

A number of children are coming to school with nail varnish and mascara on. This is a gentle reminder that make up is not part of our school uniform and should not be worn to school please.

Lunchtime

If children are playing football at lunchtime, they must change into trainers. There is an enormous amount of mud be walked through the school which is damaging the carpets. If children do not bring a change of shoes, they will be unable to play football. Thank you.

Class Photos

Class photos will be taken on Wednesday 5th February 2025. Your child will be included in these photos unless you inform the office otherwise.

Parking and Dropping off

Again, please do not pull into the school gates, drive or pull up on the zig zag lines to drop children off in the morning. It is illegal and it is VERY dangerous for the children arriving.

Take care
Miss Ingle

Bible verse of the week

“Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus”
Philippians 4:6-7

School worship

We thank you for the friends who give us the freedom to be ourselves. Help us to always be a friend to others, no matter who they are. Help us to always reach out in friendship to all those we meet.
Amen.

Any Other Information/Reminders

Severe Weather/Snow Closure

In the event of severe weather, we will always strive to ensure that the school remains open, but in the event that extreme weather conditions necessitate the closure of the school we will advise you of this in a number of ways. We will notify parents via email via ParentMail, update the school website and advise Lincs FM and BBC Lincolnshire radio

stations so listen out to their broadcasts or log onto their websites. We will also post a message on the school's Facebook page.

Book Wish List

We are constantly trying to update our school Library so the child have the opportunity to read new and exciting books. With this in mind, Mrs Szydłowski has sourced a 'Book Wish List'. It has been created by our local book shop 'Bookmark' in Spalding. They have been extremely kind and made an area on their website where you can click on a book and purchase it online and have also offered us a discount. We felt it was not only important to purchase new books for our children but also support a local small business. When a few books have been purchased they will then contact Mrs Szydłowski to go and collect them. If you feel you would like to purchase a book for our Library, or know someone that would like to, then please follow this link:

<https://uk.bookshop.org/lists/st-bartholomew-s-ce-primary-school-wishlist?>

Bookmark have informed us that if you select a book from our list on their website and buy via the website then a delivery cost will be added. If you see a book you would like to purchase please email them directly or call the shop. They will then have the books delivered to the shop for free and it will be collected from them.

Health Care Plans

In order that we can provide the necessary care required to those children who have on-going health care needs, we require parents to complete a 'Health Care Plan' form via ParentMail. This document is used to detail the on-going health issues and, if applicable, the medication that each child requires. If you haven't done so already and your child has health care needs, please complete the form via ParentMail. Thank you to those parents who have already completed their child's Health Care Plan.

Attendance

All schools are expected to keep their attendance over 96%, and our Year to Date attendance sits at 96.09%. If you need any help with attendance, please come and speak to us as we will help in any way that we can. Dr Chris Whitty released this statement via the DfE: *"It is usually appropriate for parents and carers to send their children to school with mild respiratory illnesses. This would include general cold symptoms: a minor cough, runny nose or sore throat. However, children should not be sent to school if they have a temperature of 38°C or above."*

School Mobile Phone

We now have a school mobile for afterschool care. The number is: **07396725986** It will be turned off during the school day. It will only be available for parents who have children attending afterschool care during afterschool care hours.
PLEASE CONTACT THE SCHOOL OFFICE FIRST IN ALL CIRCUMSTANCES.

Pencil Cases

Please remember to ask your child regularly if they require anything replenishing, especially glue sticks, which are frequently used items.

After School Kids Club

Please be aware that if parents/carers/guardians are more than 10 minutes late collecting from after school clubs at 4pm there will be a charge of a full hour, per child, childcare cost.

School Opening

Our school office is open from 8.30am to 3.15pm, Monday to Friday. If you wish to contact the school out of these hours, please call 01775 640357 and leave a message on our answerphone or alternatively email enquiries@stbartholomews.lincs.sch.uk.

PTFA Easy Fundraising is a great source of funds for the school which could raise £££s for the PTFA. A range of retailers, holiday companies, Ebay, Tesco and many more donate a percentage of money spent when parents / carers / guardians spend money. It costs the consumer absolutely nothing at all. Parents/carers/guardians need to click on the easy fundraising link:

<https://www.easyfundraising.org.uk/panel/>

- Register an email and password
- Nominate your cause
- Download a reminder tool to browser so when purchases are made through a partner a reminder is sent.

Make the purchase and a percentage goes to St Barts!

Attendance

Supporting you to understand the new rules

A National Framework for Penalty Notices for school absences, including unauthorised leave of absences in Term Time, is being introduced following changes to the law. These new government regulations will come into effect from 19th August 2024.

What are these changes?

If a pupil has **10 unauthorised sessions**, which is equal to **5 school days**, within a **10 week period**, a penalty notice may be issued.

This will come under 3 categories: First, Second, and Third offence.

First Offence

The first time a Penalty Notice is issued for Term Time leave or unauthorised absences the amount will be:

£160 per parent, per child if paid within **28 days**, reduced to **£80** per parent, per child if paid within **21 days**.

Second Offence

The second time a Penalty Notice is issued for Term Time leave or unauthorised absences the amount will be:

£160 per parent, per child to be paid within **28 days**. No reduced rate will be offered.

Third offence and any further offences (within 3 years)

The third time an offence is committed for Term Time leave or unauthorised absences a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates Court.

Magistrates' fines can be up to £2500 per parent, per child. Cases found guilty in Magistrates' Court can show on a Parents future DBS certificate, due to failure to safeguard a child's education.

What Parents & Educators Need to Know about

TIKTOK

WHAT ARE THE RISKS?

Adults tend to associate online videos with YouTube – but among teens, TikTok is king. The app provides a stream of short clips tailored to users' interests, based on what they've already watched. Around half of British children use TikTok, and while much of the content is benign, Ofcom considers it the app where youngsters "were most likely to encounter a potential harm".

AGE-INAPPROPRIATE CONTENT

While TikTok's Following feed only displays videos from familiar creators, For You is a collection based on a user's previously watched clips. Most of these videos will probably be inoffensive, but the app *could* potentially show something unsuitable. If children then engage with this content, more like it will follow. TikTok's guidelines prohibit the sharing of illegal or inappropriate content, but the huge number of uploads means that a small amount inevitably slips through.

BODY IMAGE AND DANGEROUS CHALLENGES

According to Ofcom, most online harms for teens are body image related for girls (promoting unhealthy eating, body shaming and so on) and dangerous stunts for boys. Both are prevalent on TikTok. One extreme example of the latter was the 'blackout' trend, which encouraged users to hold their breath until they passed out from a lack of oxygen. This led to two families filing lawsuits against TikTok over the tragic deaths of their children.

IN-APP SPENDING

TikTok is free, but users have the option to buy TikTok coins, which can be used to purchase gifts for content creators. Coin bundles range from £9.99 to an eye-watering £99; while that may not sound appealing, the app still generated £7.9 billion in user spending in 2023. TikTok's policy is that under-18s can't make in-app purchases, but it's possible to bypass this with a fake birth date.

CONTACT WITH STRANGERS

With more than 1.5 billion users globally, the potential for contact from strangers on TikTok is high – especially as accounts created by over-16s (or young people using a fake date of birth) are set to public by default. This means that not only is someone's profile visible to everyone else on the app, it also suggests their videos to others and enables anyone to download or comment on them.

MISINFORMATION AND RADICALISATION

Although the short videos on TikTok tend to be more frivolous than the longer ones on YouTube, clips can still influence impressionable minds in a negative way. Not only is there plenty of dangerous misinformation on TikTok, but Ofcom reports that nearly a third of 12 to 15-year-olds use TikTok as a news source – so you should be wary of misogynistic, racist or conspiracy-themed material shaping how they see the world.

ADDICTIVE DESIGN

With its constant stream of eye-catching videos, TikTok can be addictive to young brains. In 2024, UK children spent an average of 127 minutes per day on the app: that's twice as much as in 2020. Excessive use can interfere with young people's sleep patterns – often leading to irritability – and distract them from other, healthier activities. The instantly skippable nature of bite-size videos may also impact children's ability to maintain focus.

Advice for Parents & Educators

ENABLE FAMILY PAIRING

Family Pairing allows parents to link their TikTok account to their child's, and control settings remotely. Parents can then turn on Restricted Mode (reducing the chances of a child seeing inappropriate content), set screen-time limits, make accounts private and manage whether their child can send messages – and if they can, to whom. Children can't alter these settings without parental approval.

DISCUSS THE DANGERS

If a child wants to use TikTok and you're happy for them to do so, it's good practice to discuss the potential risks. Ensure that they don't share any identifying personal information, and that they know to talk to a trusted adult if they're worried by interactions on the app. With more teens using TikTok for news, it's also worth talking about misinformation and propaganda, and how to identify it.

BLOCK IN-APP SPENDING

If a child is using an iPhone or Android device to access TikTok, you can alter their settings to prevent them from making in-app purchases. We'd recommend enabling this feature, as it can be quite easy for a young person to spend a significant amount of real money buying TikTok coins to unlock more features of the app – sometimes without even realising.

READ THE SIGNS

If you're concerned that a child is spending too much time on TikTok, or that they've been emotionally affected by something they've seen, it's important to know how to spot the signs. Increased irritability and a lack of concentration are potential red flags, as is failing to complete homework or skipping meals. Remember, the parental controls are there for a reason, and it's never too late to introduce limits.
