

St Bartholomew's CE Primary School

Equality Policy

Our Vision:

At St Bartholomew's we provide a gate way of discovery through our diverse curriculum and nurture global disciples who positively impact God's gift to us – the world. Our curriculum enables our learners to recognise their place in the wider world by enabling them to understand their place in Pinchbeck West; the importance and value of where they live. It aims to develop agents of change who are taught to protect the environment, solve problems to ensure society is a better place and take responsibility for their actions to make the future a somewhere far improved from where it is. There is clear focus on developing a rich vocabulary through a text centred approach and providing learners with the opportunity to independently gain powerful knowledge to ensure their future success. Through boundless forgiveness, compassion and a safe learning environment our children can Let their Light Shine (Matthew 5:16). We learn to love responsibly by developing the skills and knowledge needed under God's spiritual counsel, bringing light to all those around us. We are beacons of hope for our communities guided by God's spirit and love.

Community - everyone is treated with dignity through an ethos of respect for all. Care is given to our environments. This spirit permeates our daily lives as we walk side by side together following in God's footsteps.

Hope - every person is guided to fulfil their hopes and aspirations, enabling them to reach their full potential. We place no ceiling on expectations. Our growth mind-set helps us to accept where we are, understand barriers and with hope and faith overcome and succeed.

Wisdom - we give our children exceptional experiences, everlasting knowledge and equip them with the skills needed to make good judgements for the greater good, guided by God's patience and love.

Dignity - we radiate belief which generates self-worth in all who come through our doors. Everyone is reminded daily of their worth and significance in our community.

1. Aims

Our school aims to meet its obligations under the public sector equality duty by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it

2. Legislation and guidance

- This document meets the requirements under the following legislation: [The Equality Act 2010](#), which introduced the public sector equality duty and protects people from discrimination

- [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which require schools to publish information to demonstrate how they are complying with the public sector equality duty and to publish equality objectives
- This document is also based on Department for Education (DfE) guidance: [The Equality Act 2010 and schools](#).

This document also complies with our funding agreement and articles of association.

3. Roles and responsibilities

The governing board will:

- Ensure that the equality information and objectives as set out in this statement are published and communicated throughout the school, including to staff, pupils and parents, and that they are reviewed and updated at least once every four years
- Delegate responsibility for monitoring the achievement of the objectives on a daily basis to the headteacher

The headteacher will:

- Promote knowledge and understanding of the equality objectives amongst staff and pupils
- Monitor success in achieving the objectives and report back to governors

All school staff are expected to have regard to this document and to work to achieve the objectives as set out in section 8.

4. Eliminating discrimination

The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

Staff and governors are regularly reminded of their responsibilities under the Equality Act, for example during meetings. Where this has been discussed during a meeting it is recorded in the meeting minutes.

New staff receive training on the Equality Act as part of their induction, and all staff receive refresher training every academic year.

The school has a designated member of staff for monitoring equality issues.

5. Advancing equality of opportunity

As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have (e.g. pupils with disabilities, or gay pupils who are being subjected to homophobic bullying)

- Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling Muslim pupils to pray at prescribed times)
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school societies)

In fulfilling this aspect of the duty, the school will:

- Publish attainment data each academic year showing how pupils with different characteristics are performing
- Analyse the above data to determine strengths and areas for improvement, implement actions in response and publish this information
- Make evidence available identifying improvements for specific groups (e.g. declines in incidents of homophobic or transphobic bullying)
- Publish further data about any issues associated with particular protected characteristics, identifying any issues which could affect our own pupils

6. Fostering good relations

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures
- Holding Collective Worship with relevant issues. Pupils will be encouraged to take a lead in such assemblies and we will also invite external speakers to contribute
- Working with our local community. This includes inviting leaders of local faith groups to speak at Collective Worship, and organising school trips and activities based around the local community
- Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the school. For example, our school council has representatives from different year groups and is formed of pupils from a range of backgrounds. All pupils are encouraged to participate in the school's activities, such as sports clubs. We also work with parents to promote knowledge and understanding of different cultures
- We have developed links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach

7. Equality considerations in decision-making

The school ensures it has due regard to equality considerations whenever significant decisions are made.

The school always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:

- Cuts across any religious holidays

- Is accessible to pupils with disabilities
- Has equivalent facilities for boys and girls

8. Equality objectives

Objective 1: Undertake an analysis of recruitment, appraisal and training processes for staff with regard to the protected characteristics by March 2027, and report on this to the governing board.

Why we have chosen this objective: It accords with the 2010 Equality Act and the school Teacher Appraisal Policy

To achieve this objective we plan to: report to the governing body annually as part of the appraisal and capability process

Progress we are making towards this objective: A report on the appraisal process was presented to governors in May 2025

Objective 2: Ensured the proportion of all significant pupil groups achieving National Expectations, including SEND, disadvantaged, pupil premium and EAL pupils, is increasing by March 2027.

Why we have chosen this objective: It accords with the 2010 Equality Act and the School Development Plan priorities.

To achieve this objective we plan to:

Monitor progress towards this objective through School Development Plan monitoring and governor monitoring visits.

Progress we are making towards this objective:

Governor monitoring is ongoing. Progress in areas such as reading and writing has been noted and will continue to be tracked through end-of-year results.
