Dear Parent's Carers, Guardians,

As we reach the end of this busy and joyful term, I would like to take a moment to reflect on the many highlights we have shared as a school community. From the children's enthusiasm in the classroom to the excitement of our festive activities and performances, it has been a term filled with energy, creativity, and plenty of sparkle. The children have worked incredibly hard, and we are so proud of the progress they have made — both academically and in the kindness and resilience they show each day.

Our Christmas events this year have truly showcased the spirit of our school. Whether it was singing in the nativity, crafting decorations, or simply spreading cheer around the corridors, the children's smiles have reminded us all of what makes this time of year so special. I would also like to extend a heartfelt thank you for your support — attending performances, helping with costumes, or cheering from the audience. Your involvement means so much and helps create the warm, family feel that we treasure here.

As we approach the Christmas break, I hope you all find time to rest, reconnect, and enjoy the magic of the season with your loved ones. On behalf of all the staff, I wish you a peaceful Christmas filled with joy, and a New Year full of hope and good health. We look forward to welcoming the children back in January, refreshed and ready for another exciting term of learning and adventure.

Warmest festive wishes,
Miss Ingle

A Christmas Prayer for Our School Community:

Loving God,

As we reach this joyful season, we give thanks for the children, families, and staff who make our school such a special place. We are grateful for the laughter, learning, and moments of kindness that have filled this term.

We ask for Your blessing on all our families this Christmas. May their homes be places of peace, warmth, and togetherness. Grant rest to those who are tired, comfort to those who may be facing challenges, and joy to every heart.

As we celebrate the light and hope of this season, help us to carry that light into the New Year — guiding us to care for one another, to show patience, and to walk gently with those around us. Keep our children safe over the holidays, and bring them back refreshed, ready for new adventures and new learning.

Amen.

Attendance Winner of the Week

Darwin Class are the attendance winners of the week and have won a trip to the park w/c 5th January 2025.

Sports: This term marked the conclusion of the boys' football season, finishing on a positive note with some great play and a couple of well-deserved goals. All children involved should be commended for their consistent effort, commitment, and dedication to training and game days throughout the season.

The girls' football season has now begun and has already provided some exciting highlights, with a fantastic goal scored from behind the halfway line in the first game and some incredible saves made by the goalkeeper.

House competitions also returned this term, starting with an obstacle course run across the week by the house captains and sports captains. It was wonderful to see such strong participation and school spirit across all year groups. Congratulations to Hawkes for being our first house competition winners, there will be more competitions planned for next term so plenty of opportunities left for our remaining houses.

A training session was held at the village hall for our playground leaders to prepare them for the upcoming terms. These leaders will play an important role in encouraging participation in games, supporting social interaction, and helping to create a safe, active, and enjoyable playground environment for the students.

Overall, it has been a very positive and entertaining term for sport, and we look forward to even more exciting opportunities next term.

Miss Amatt.

After School Book Club: This term, KS2 students took part in our after-school reading rocks book club, which offered a relaxed and enjoyable way for children to engage with reading outside of the classroom. The club focused on building a positive reading culture through a range of creative and interactive activities. Students designed their own book covers, took part in reading-themed scavenger hunts, and shared favourite books and stories with their peers. They were also given time to plan and write their own stories, allowing them to develop ideas and explore their creativity.

Attendance: We would like to remind all families of the legal framework surrounding term-time holidays and the issuing of penalty notices for unauthorised absences, in conjunction with advice from the Local Authority.

Please be aware that there is no right of appeal against a penalty notice once it has been issued. The decision to authorise or unauthorise an absence rests solely with the School. It is important to remember you should discuss any concerns you have with the school **before** a leave of absence is considered.

We understand that some employers may restrict when holidays can be taken, and that travel costs can vary significantly throughout the year. However, **neither of these factors constitutes an exceptional circumstance**, according to guidance from the Department for Education, **Working together to improve school attendance (applies from 19 August 2024)** and **Resources for families/Children's Commissioner for England** and therefore cannot be considered, as a valid reason for authorising term-time leave.

We appreciate your understanding and cooperation in ensuring that your child's education remains a priority.

Supporting you to understand the new rules

A National Framework for Penalty Notices for school absences, including unauthorised leave of absences in Term Time, is being introduced following changes to the law. These new government regulations will come into effect from 19th August 2024.

What are these changes?

If a pupil has **10 unauthorised sessions**, which is equal to **5 school days**, within a **10 week period**, a penalty notice may be issued.

This will come under 3 categories: First, Second, and Third offence.

First Offence

The first time a Penalty Notice is issued for Term Time leave or unauthorised absences the amount will be:

£160 per parent, per child if paid within **28 days**, reduced to **£80** per parent, per child if paid within **21 days**.

Second Offence

The second time a Penalty Notice is issued for Term Time leave or unauthorised absences the amount will be:

£160 per parent, per child to be paid within **28 days**. No reduced rate will be offered.

Third offence and any further offences (within 3 years)

The third time an offence is committed for Term Time leave or unauthorised absences a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates Court.

Magistrates' fines can be up to £2500 per parent, per child. Cases found guilty in Magistrates' Court can show on a Parents future DBS certificate, due to failure to safeguard a child's education.

Dr Chris Whitty released this statement via the DfE:

"It is usually appropriate for parents and carers to send their children to school with mild respiratory illnesses. This would include general cold symptoms: a minor cough, runny nose or sore throat. However, children should not be sent to school if they have a temperature of 38°C or above."
